## FOREWORD

Dewpoint School is an international standard educational institution established in the year 2005, located at Haliashahar, one of the prestigious residential areas amidst the heart of the panoramic port city of Chittagong, yet in a quiet and serene place, true to its name.

Dewpoint School was conceived and established by a group of highly qualified, dedicated social workers and philanthropists. Their vision and concern for society and public cause prompted them to serve the needs of quality education in English.

The mission of Dewpoint School is to provide a high quality child centered education system based on the British (Cambridge Int) Curriculum and the National Curriculum in English Version in separate branches in the suitable environment for children of home and abroad.

The Management is after a plan of two multi-storied buildings with modern educational facilities for British Curriculum and National Curriculum English Version. After the buildings are constructed, both British Curriculum and National Curriculum will be started at 08:15am simultaneously.

| THE MANAGEMENT                                                  |                         |

| (NB: Class Timing is changeable subject to its requirement.) |         |                                       |          |

Practical at the Laboratory

**ATTENDANCE:** Punctuality and Regularity is the key criterion for building physical and mental endurance of the young learners. In case of irregular attendance or unjustified absence, concerned student has to face penalty system. Every student must reach school timely to attend assembly regularly.

**DISCIPLINE:** Every Student requires to obey the rules and must be loyal to discipline. The authorities reserve the right to take necessary action for the care of any disobedience/objectionable behavior disruptive to the general discipline of the institution. To attain remedial treatment, parents would be informed in written.

**ACADEMIC CURRICULUM:** International curriculum leading to 'O' level under the University of Cambridge is the basis of teaching. For National curriculum NCTB prescribed English Syllabus is followed. Islamiyat and Religious Studies are compulsory from Std-I onwards. Last years' PECE and 'O' level results, achieved GPA and scholarship related data were remarkable. Steps are implemented to accelerate the progress.

Students at the Computer Lab

**Students at the Computer Lab.**

**CO-CURRICULAR ACTIVITIES:** The school provides scouting, Art, Music, Debate, Cultural classes, Indoor & Outdoor games, Essay writing & Event wise competitions, Project works, Exhibitions and other activities as ECA (Extra Curricular activities regularly. It is compulsory for all the students to enroll in at least one of the ECAs. For the all round development of our young learners, Annual importance & educatives are also arranged timely. Swimming pool, Cafeteria, School Bus, Boys' and Girls' separate Common Rooms, Baby Care Centre, Guardians' Room, Play/Athletics Ground & Gymnasium will be among the modern facilities in the next coming phase.

**Celebrating Excellent result in PECE**

**FACULTY MEMBERS:** “The architect of Future Generation” the teaching staffs of Dewpoint School are highly qualified, trained, well experienced, dedicated & devoted to profession and possess parental choice in education. To reinforce the experience with flashes of new ideas regarding updated views and modern teaching techniques, Dewpoint School organizes Teacher' Training Courses. They also attend the periodical in House workshops & Seminars which are conducted by the British Council and other institutions.

**Learn & Fun at the play Zone.**

**PARENTS TEACHERS MEETING (PTM):** Periodical Parents Teachers Meeting are arranged to exchange views for the creation of befitting academic environment. Suggestions proposed by the parents are cordially accepted to improve the institution in all respects.
